

Premium Equine Ear Plugs are designed to allow your horse and pony to hear normal tones, while greatly reducing distracting or loud noises. **POMMS® & PONY POMMS®** "comfort plus" design protects your horse's and pony's sensitive ears from wind, water and debris. **POMMS® & PONY POMMS®** are designed to promote relaxation by stimulating acupressure points in the inner ear.

**Directions:** Directions: Gently "roll" **POMMS® & PONY POMMS®** into the ear for a snug fit. Remove immediately after use by gently rolling" out of the ear.

**Care:** Wash **POMMS® & PONY POMMS®** with a mild soap and water. Towel dry.
