Omega Content:

Contains per treat:
684 mg – Omega -3
228 mg – Omega -6
304 mg – Omega -9

Feeding Directions: Feed as desired while training, performing, trail riding, or as a nutritious anytime treat.

OR

Feed 15 treats per day when using as an Omega-3 supplement for a 1200 pound horse. Start gradually the first week, then increase to full amount.

Storage:

The stabilized, ground, fortified flax seed used in Omega Nibblers® Low Sugar & Starch utilizes PureGlean stabilization technology. The powerful nutrients in Omega Nibblers® are locked in and guaranteed stable for at least 18 months with no signs of rancidity or loss of nutritional value. Best if stored in a cool, dry place.
