

UCKELE**SKIN & COAT**

COCOOMEGATM

OIL

Fatty Acid Formula for Horses

Non GMO

Rich in Omega 3

Mimics the Omega 4:1 ratio
of fresh forages

INCREASES FEED PALATABILITY.

COOL FUEL SOURCE FOR HARD KEEPERS.

IMPROVES HORSE'S COAT SHEEN AND LUSTER.

**REPLACEMENT FOR REFINED
CORN AND VEGETABLE OILS.**

CocoOmega has an ideal ratio that mimics the ratio of 4:1 Omega-3 to Omega-6 fatty acids found in fresh forages. It promotes a glossy, healthy coat, and supports skin, hooves and joint function by retaining moisture in the cells and tissues to maintain healthy hydration.

CocoOmega Oil contains EPA and DHA to support brain and nervous system function. Contains Flax Seeds Oil, Chia Seed Oil and Fish Oil.

Natural fats can also support healthy blood sugar balance, and are a palatable way to supply a stable cool caloric source, and promote strong, shiny hooves.

1 gal. jug

(16-128 day supply)
