

Equiderma Skin Lotion 16 oz

Telesis Animal Health

INGREDIENTS: Mineral oil, Chlorhexidine, Lavender Essential Oil, Trichloromethyl .2%

INSTRUCTIONS: Equiderma Skin Lotion gets the job done fast, predictably, reliably and best of all painlessly.

Wash area thoroughly with Equiderma Neem & Arnica Shampoo to remove all dirt from the area.

Allow shampoo to remain on the area for up to 1 hour with first bathing.

Rinse well and towel dry.

Apply Equiderma Skin Lotion and leave on.

Instructions above are effective for the following conditions:

Cannon Bone, Ear, and Face Crud

Rain Rot

Scratches

Mane-and-Tail itching

Sweet Itch (insect bite reactions)

Summer Sores

Midline Belly Scabbing

Mystery Hair Loss

Ringworm

Fungal or Bacterial Related Skin Problems

For Mallenders or Sallenders (Apply to crusts daily for 3 days. On the 3rd day use a wide-toothed comb to gently break up crusts and remove.)
