

PREMIER EQUINE SPRAY

LEAVE ON PROTECTION • FOR DAILY USE ON ALL HORSES

SAFE FOR PETS

Premier Spray is a moisturizing spray that does not coat your horse's skin or hair. Developed specifically to attract and bind moisture captured from the air to your horse's skin and coat. Premier Spray uses a unique blend of ingredients that adds intense moisture to your horse's coat, mane, and tail without leaving a slippery residue. Premier Spray can be used daily, especially after you bathe or brush your horse and is safe to use on the saddle area. Silicone free. Will not burn eyes. For best results, use with Premier Shampoo and Premier Conditioner for maximum, yet gentle, cleaning, color intensifying, and conditioning. Safe for all horses, ponies, pregnant mares and foals. Tropical scent.

- Moisturizes and conditions skin, coat, mane and tail
- Enhances shine
- Protects coat from bleaching out
- Repels dust & dirt and reduces static electricity
- Leaves non-slip finish

DIRECTIONS: After washing with Premier Shampoo, rinse, scrape dry. Mist entire coat, mane and tail with Premier Rehydrant Spray. Do not rinse. Use as often as desired on dry horse, particularly after brushing.

INGREDIENTS: Deionized Water, Sodium PCA, Cetrimonium Chloride, Propylene Glycol, Aloe Vera Barbadosensis, Glycosaminoglycans, Polysorbate 20, Polysorbate 80, Citric Acid, DMDM Hydantoin, Methylparaben, Tetrasodium EDTA, Defoamer, Fragrance.
