Brace Antiseptic Liniment

A counter-irritant which aids in the relief of minor stiffness and muscle soreness caused by overexertion.

Net Contents: One Gallon (3.8L)

PRODUCTS WITH A
WINNING TRADITION

BALL LINIMENT

Indications:

For minor soreness and stiffness associated with racing or training.

DIRECTIONS:

SHAKE WELL BEFORE USING.

For General Leg Care: Apply BALL LINIMENT, rubbing briskly for at least five minutes, adding more BALL LINIMENT as you rub. Repeat daily.

For Stiffness in the Legs: Use hot wet towel to open pores. Apply BALL LINIMENT, rubbing briskly for at least five minutes, adding more BALL LINIMENT as you rub. Next use ICE or cold water bandages to keep as cold as possible for at least one hour. Remove excess moisture, apply BALL LINIMENT and bandage.

For Soreness of the Shoulders, Back and Hindquarters: Mix equal parts of BALL LINIMENT and warm rubbing alcohol. Sponge lightly over areas of shoulders, back and hindquarters. Cover with light wool cooler and stand in sun or under heat lamp. Repeat for at least three days.

As a Body Wash: Mix 4 ounces BALL LINIMENT in a pail of warm water. Sponge lightly on shoulders, back and hindquarters.

Active Ingredients

Isopropyl Alcohol70%
