

RECOMMENDED USES:

Finish Line's EZ-Willow™ Gel Liniment is a blend of essential oils and botanicals in a cooling gel base. Use for any minor soreness, lameness or swelling. Use over any muscles, including the back and shoulders. It may also be used on legs, joints, tendons, ligaments or applied to the coronary bands. Paint on hooves and soles prior to training or racing. For daily hoof treatments, we recommend EZ-Willow™ Poultice.

DIRECTIONS:

Clean affected area (legs, hooves, shoulders, back) thoroughly with castile soap or other non-medicated cleanser before use. Use before and/or after exercise. Rub down affected area with EZ-Willow™ Gel Liniment. Leave uncovered, or cover with a wrap.
