

Leather Laundry Rinse & Dressing™

Leather Laundry Rinse & Dressing™ makes it possible to condition leather and sheepskin in the washing machine, keeping your items soft and well cared for. This conditioning rinse is a high efficiency formula designed for use with Leather Laundry Solution™ in the washing machine, or as a wipe-on dressing for extra-dry leather. Leather Laundry Rinse & Dressing™ is so revolutionary it is patented. Leather Laundry Rinse & Dressing™ provides rich conditioning emollients and anti-static benefits with a light refreshing scent. It can be used on natural or synthetic leathers, fabrics, or sheepskin and is ideal for use on full seat breeches, full and half chaps, sheepskin saddle pads, gloves and leather clothing.

Directions:

SHAKE WELL BEFORE USING

Washing Machine Use: Add 2 to 4 ounces during the last rinse cycle, use with cold water.

Wipe-On Use: For extra-dry leather. Apply as a wipe-on to the smooth side of leather or the skin side of sheepskin fleece pads.

Important: Air dry items away from heat or direct sunlight. NEVER dry leather or sheepskin fleece in the dryer. Do not use on suede.

Care Tip: If a finishing sheen is desired, apply a light coat of Leather Therapy® Finish after item is completely dry.

Caution: KEEP OUT OF REACH OF CHILDREN. Do not ingest. In case of contact with eyes, flush with plenty of water. Call physician if irritation persists. Wash hands after use. Dispose of container properly.

Ingredients: Contains biodegradable fabric and leather softening agents, and fragrance.
