APPLE FLAVORED

Healthy Coat Benefits!

OMEGA 3 & 6 ESSENTIAL FATTY ACIDS FOR SKIN AND COAT! PALATABILITY OF FEED!
DIGESTIBLE ENERGY FOR COMPETING OR BREEDING HORSES, THIN HORSES, BROOD MARES & COLTS!

Healthy Coat feed top dressing is a unique formula, natural and unrefined to preserve the nutritional value of essential fatty acids and Vitamin E.

FEED DIRECTIONS Shake gently, settling may occur. For top dressing grain, start gradually 1 to 4 oz. for average adult horse. With active horses or maximum response for difficult skin and coat needs you may feed up to 8 oz.

INGREDIENTS Mechanically extracted soybean oil, Mechanically extracted Flax seed oil, Lecithin, Niacin supplement, Biotin, Vitamin B12 supplement, natural and artificial apple flavors, mixed tocopherols (Vitamin E as a preservative).
