### FEEDING DIRECTIONS:

**For Mature Horses (800 to 1,200 lb):** Feed 1 to 2 ounces\* of Sho-Glo daily, along with the regular grain and forage ration.

**For Foals, Ponies, and Mature Horses under 800 lb:** Feed ½ to 1 ounce\* of Sho-Glo daily, along with the regular grain and forage ration.

\*The enclosed scoop holds about 1 ounce of Sho-Glo by weight.

**NOTE:** If you have questions about how to use this product in your feeding program, especially in combination with other supplements, please contact Manna Pro at (800) 690-9908.

**CAUTION:** This product contains supplemental Selenium. Do not feed this product at levels greater than recommended, nor in combination with other products containing supplemental Selenium if the Selenium concentration of the complete diet will exceed 0.30 ppm. Do not feed any product that is moldy, rodent or insect infested, or abnormal in appearance or odor.

**REMINDER:** Feed is perishable. Store this product in a cool, dry area away from insects and rodents.

**WARNING:** This product contains supplemental copper. Do not feed to sheep or other copper-sensitive species.

### 100% SATISFACTION GUARANTEED

Manna Pro is committed to providing your animals with the highest quality products possible. If you are not satisfied with this product, simply return the unused portion with your receipt to the place of purchase for a replacement or refund.
