

## **Black Magic** **Flex-Tite**<sup>™</sup> Veterinary Leg Brace Liniment

### **Black Magic Flex-Tite**<sup>™</sup> Premium Horse Liniment

is a medicated, anti-inflammatory, leg tightener. Unlike other leg tighteners, **Black Magic**<sup>™</sup> is the only leg brace that maintains optimum fluid levels around the joints and at the same time tightens the tendons and ligaments, thus creating a flexible yet tight leg. The daily application of **Black Magic**<sup>™</sup> will dramatically improve your horse's performance and significantly reduce the risk of injury.

**Black Magic**<sup>™</sup> Premium Horse Liniment is an absolute must for relief of pain due to arthritis, strained tendons and ligaments, as well as for curb and splint pain in horses.

**Directions:** **Black Magic**<sup>™</sup> is easy to use with gloves. Wipe affected area with clean warm water prior to application, then just shake the bottle and apply directly to the affected area, rubbing vigorously. Apply more liberally to swollen or "filled" areas. Clean up is easy- just soap and water. For quick results, apply a sweat or plastic wrap after application. Bandages may also be used. **Black Magic**<sup>™</sup> is safe to use to reduce pain in the hip area, stifles and hocks, withers, shoulders and neck, one to two hours prior to racing.

**Ingredients:** Distilled water, Isopropyl Alcohol, Surfactants, Activated Charcoal, Camphor, Menthol, Eucalyptol, Glycerin, Methyl Salicylate and Capsaicin

**Caution:** Not for internal use; may cause eye irritation and avoid open wounds. DO NOT USE with ceramic or thermal wraps or near an injected area as this may cause a reaction and/or possible blistering of the affected area.

**STORE IN A COOL DRY AREA**
