

Horseman's Dream®

Horseman's Dream Veterinary Cream is an effective cream for a variety of skin conditions including wounds, scrapes, burns, and sunburns. The cream readily absorbs into the skin to provide rapid relief for sunburned, chapped, or cracked skin. Horseman's Dream contains 5 moisturizing ingredients including Wheat Germ Oil, Allantoin, and Lanolin for effective skin care. Trust your horse's skin care to Horseman's Dream.

Directions For Use: Cleanse all intended areas of application thoroughly. Cover the affected and surrounding areas with Horseman's Dream Veterinary Cream. Bandage as necessary to protect the area. Apply several times daily for best results.

Caution:

FOR EXTERNAL USE ONLY. Keep out of reach of children. Avoid contact with the eyes. If condition worsens, or if symptoms persist for more than seven (7) days or clear up and occur again within a few days, discontinue use and consult a veterinarian. Do not use on severe or puncture wounds except under the advice and supervision of a veterinarian.
