

ENDURANCE • SPEED • POWER

STAMINA • PERFORMANCE

Suggested Use: As a topdress supplement for companion and performance horses, feed 3.2 grams (one enclosed scoop) once daily. Administer consistently for maximum effect, but do not feed this product longer than 12 weeks without taking at least 1 week off. Improved performance should occur within 4 weeks of initiation use of this product.†

Warnings: Do not use this product in pregnant mares. Do not use in horses with known hypersensitivity reactions or autoimmune disorders. In case of anaphylaxis, administer epinephrine. Do not use in conjunction with immunomodulating agents. Consult a veterinarian if your horse has any medical conditions before using this product. Keep out of reach of children.
