INACTIVE INGREDIENTS:

Alfalfa meal, citric acid, dried yeast, ground flaxseed, lignin sulfonate, l-lysine monohydrochloride, mixed tocopherols of natural origin, natural and artificial flavors, rice bran, rosemary extract, silicon dioxide, vegetable oil and yeast culture.

CAUTIONS:

Safe use in pregnant animals or animals intended for breeding has not been proven. If lameness worsens, discontinue use and contact your veterinarian.

Administer during or after the animal has eaten to reduce incidence of gastrointestinal upset.

Absorption of drugs taken simultaneously may be delayed (Slippery Elm Powder).

For use in equine only.

EXCEED™ 6-WAY is recommended to help support healthy joint, muscle and vascular function, gut integrity, skin/hair and hoof condition in horses.

DIRECTIONS FOR USE:

(Enclosed measure approximates 2 oz based on weight of product.)

Adult Horses (900-1,100 lbs): Provide 1 scoop (2 oz) twice daily.

WARNINGS:

For animal use only.

Keep out of the reach of children and animals.

In case of accidental overdose, contact a health professional immediately.

This product should not be given to animals intended for human consumption.

Store in cool, dry place.
