

Omega Horseshine

Ingredients:

Ground Flaxseed, Biotin, Yeast Culture, Zinc Methionine Complex, Ground Oats, Calcium Carbonate, Lysine, Copper Lysine Complex, Sodium Selenite, Folic Acid, Niacinamide, Manganese Sulfate, Calcium Pantothenate, Pyridoxine Hydrochloride (Vitamin B-6), Vitamin B-12 Supplement and Riboflavin

Feeding Directions:

Feed 1/2 to 1 standard measuring cup daily, top dressed over feed for 1000 lb. to 2000 lb. horse (adjust amount proportionally up or down per weight of horse; i.e. 1/4 to 1/2 cup for 500 lb. to 700 lb. horse and 1 1/2 to 2 cup for a 1500 to 2000 lb. horse).

Recommended feeding directions for Active or Performance horse is 1 cup to 3 cups per day year round dependent on weight of horse.

Start gradually to suggested minimum daily serving.

Recommended short term upload when addressing skin, coat, hoof, & joint problems- adjusted amount is 1 cup to 3 cups daily for 1000 lb. to 2000 lb horse (adjust upload amount proportionally up or down per weight of horse). Continue upload amount suggested until problem is alleviated.

Storage:

The stabilized, ground, fortified flax seed used in Omega Horseshine® utilizes Pure Glean stabilization technology. The powerful nutrients in Omega Horseshine® are locked in and guaranteed stable for 18 months with no signs of rancidity or loss of nutritional value. Best if stored in a cool, dry place.
