## SHEATH, UDDER & GENITAL CLEANSER

FOR HORSES

*Made From Imported Organic Neem Leaf  
Gently Removes Smegma From Genital Areas*

**RINSES EASILY • SOAP-FREE**

32 oz. / 946 mL

EQUIDERMA SHEATH, UDDER AND GENITAL CLEANSER was developed to make cleaning fast, easy and non-irritating.

Great for sheaths, udders and genital areas where stubborn smegma has collected. Gentle, non-irritating cleanser is formulated with natural certified ORGANIC NEEM LEAF. Easily loosens, dissolves and removes smegma (a collection of body oil, dirt and debris). Rinses easily and will not leave a residue on skin.

**Sheath cleaning and "bean" removal are a medical necessity and should not be overlooked.**

- + Non-irritating
- + Gently softens, loosens and removes smegma
- + Extra gentle and soap-free

**To Use:** Apply to area to be cleansed and massage into a rich lather. Allow to soak for 3–5 minutes. Gently remove loosened smegma. Rinse thoroughly.

### Sheath Cleaning Tips

When cleaning your male horses sheath, be sure to remove the "bean." The "bean" is a firm lump of hardened smegma inside the tip of the horses penis. The bean must be removed. IT CAN CAUSE SERIOUS PAIN OR BECOME SO LARGE THE HORSE CAN NO LONGER URINATE, causing other problems due to blockage.

Try putting a sock over your hand. It helps remove more smegma.

A: Where you will find the 'bean.' B: Inside the sheath area.
