

DIRECTIONS

AS A DAILY GROOMING OR FINISHING SPRAY:

Use a sprayer to apply a fine coat of **No. 1 Light Oil**. May be rubbed in with a soft cloth.

AS AN OIL CONDITIONER:

Apply **No. 1 Light Oil** directly on area needing conditioning and work in. May be left on or washed out.

AS A FACE HIGHLIGHTER:

Apply a small amount of **No. 1 Light Oil** directly to area where highlight is desired. Reapply if more shine is needed.

FOR SHEDDING OUT:

Use a sprayer to apply **No. 1 Light Oil** on coat and curry in. May be left on or washed out.

TO REMOVE:

 Wash out with **Shapley's Hi Shine Shampoo**.

Exercise caution when using around blankets and clothing, as oil may cause staining.

CAUTION: Contains mineral oil. Keep away from eyes and mouth. If accidentally splashed in eyes or mouth, rinse well with water. Do not ingest. If ingested, do not induce vomiting, consult your physician. Do not freeze. Keep from reach of children.

DIRECTIONS

AS A CONDITIONER:

Apply **No. 2 Heavy Oil** to coat, mane or tail direct from bottle. For a more intense hot oil treatment, place bottle in a bucket of hot water until warm, then apply. The longer it's left on, the better the conditioning result.

AFTER BODY CLIPPING:

Use a sprayer to apply **No. 2 Heavy Oil** lightly over body and leave on for maximum conditioning.

FOR TRAINING AND SMOOTHING:

Use a sprayer to apply **No. 2 Heavy Oil** on affected area and smooth or comb to desired look.

TO REMOVE: Wash out with **Shapley's Hi Shine Shampoo**.

Exercise caution when using around blankets and clothing, as oil may cause staining.

CAUTION: Contains mineral oil. Keep away from eyes and mouth. If accidentally splashed in eyes or mouth, rinse well with water. Do not ingest. If ingested, do not induce vomiting, consult your physician. Do not freeze. Keep from reach of children.
