ABSORBINE®

The Horse World's Most Trusted Name®

- Use regularly to restore dry, cracked leather
- Rich lanolin penetrates to recondition leather
- No sticky or tacky residue

Horseman's One Step® easy-to-use cream cleans and conditions leather and synthetic leather products. It penetrates leather to release deep-down dirt and grime, gently lifting it away. Horseman's One Step preserves and conditions leather to keep it soft and pliable. Our unique cream conditioner protects against drying and cracking while leaving a beautiful satin sheen, all in one easy step.

DIRECTIONS:

- Will not darken most leather. If in doubt, test a small hidden area. Not for use on suede.
- Apply a small amount of Horseman's One Step on leather with a damp cloth or sponge, and rub in.
- For very dry leather, several light applications are recommended.
- Buff with a clean, soft cloth or soft brush.
- For tooled and heavy grained leather, buff with a soft brush.
- If white residue appears, use a damp cloth with a very small amount of cream to remove.

CAUTION: COMBUSTIBLE. KEEP OUT OF REACH OF CHILDREN.
DANGER: Contains petroleum distillates. Harmful or fatal if swallowed. DO NOT INDUCE VOMITING. Consult a physician or Poison Control Center immediately. KEEP OUT OF EYES. In case of accidental eye contact, flush eyes thoroughly with water. If irritation persists, consult a physician.
