

LEXOL®
EQUINE

**Ideal For Lighter
Colored Tack**

Lexol® Neatsfoot Leather Conditioner Preserves, Strengthens, & Beautifies Your Light Colored Leather. Lexol Neatsfoot Leather Conditioner helps to soften and renew leather. It conditions the leather, helping to protect it from cracking and premature aging, by using the finest neatsfoot oil to keep it strong and supple. The oils bond to the fibers in the leather and won't seep on to non-leather surfaces or your clothing. Lexol Neatsfoot is a non-darkening formula that will help keep your light colored (blonde) leather looking new. It's ideal for equine leather tack including saddles, bridles, harnesses, and riding boots, and doesn't leave a greasy residue. Use Lexol Neatsfoot Leather Conditioner regularly to keep your leather looking and performing its best.

Lexol Neatsfoot Leather Conditioner is also ideal for your other leather goods including auto interior, shoes, furniture, sports equipment, and luggage.

Formulated in USA
Made in China

Directions:

Always test Lexol Neatsfoot Leather Conditioner on a small, hidden area before each use.

NOTE: NOT RECOMMENDED FOR SUEDE OR EXTREMELY SOFT LEATHER.

1. Shake well. If leather is dirty, clean it first with Lexol Leather Cleaner.
2. Apply Neatsfoot to a clean cloth or sponge and apply Neatsfoot over entire cleaned surface.
3. After a few minutes, wipe off excess and buff with a clean cloth.

Contains: Anionic surfactant

CAUTION: Causes serious eye irritation. Avoid contact with eyes. Keep out of reach of children and pets. If eye contact occurs, rinse eyes with copious amounts of water. If eye irritation occurs, seek medical advice. Store at temperatures no higher than 140° F to avoid container weakening.
