

## DIRECTION FOR USE

### Cosequin Minis Soft Chews

The recommended initial administration period is four to six weeks; however, some dogs may respond sooner. The number of soft chews may then be reduced to the maintenance level.

Weight	Number of Soft Chews	
	Initial 4-6 Week Administration Period	Maintenance Level
5-10 lbs	1 daily	1 every other day
11-25 lbs	2 daily	1 daily
