

Caution: Avoid contact with eyes and mucous membranes. Keep out of reach of children.

Indications: For use on rain rot, scratches, heel scratches, leg fungus, saddle sores, scrapes, abrasions, hopple burns, coronary band fungus, chafing, insect bites and many other skin irritations.

Directions for "Hay Where's That Blue Stuff"
A topical antiseptic lotion with broad spectrum activity.

Note: Avoid picking bumps or scabs. Do not scrub affected area. It slows the healing process.

For Leg Scratches and Heel Scratches:
Avoid picking scabs or crust. Wash gently (for best results, use Fungus Amungus Leg & Body Wash) and dry with clean towel. Apply Blue Stuff lotion to the affected area. Repeat each consecutive day until scratches are healed. Then use as a maintenance lotion for chronic scratches. **For Outdoor Horses:** Brush dirt away from the area, apply Blue Stuff lotion daily to the affected area. Repeat until symptoms are gone. Do not pick at affected area.

For Rain Rot and other skin dermatitis:
Apply lotion to affected area, if dusty brush away debris and apply. Repeat daily until symptoms dissipate and hair grows back. For results use consecutively.

For Cuts, Abrasions and Chafing: Use daily until healed.

Natural Ingredients: Extracts of Avocado, Chamomile, Lavender, Sage, Hemp Oil, Aloe Vera, Vitamin E and other Natural Proprietary Blends.

Other Ingredients: Water, Propylene Glycol, Stearic Acid, Cetyl Alcohol, Glyceryl Stearate, Witch Hazel, Dimethicone, Allantoin, Carbomer, Methylparaben, Disodium Edta, Triethanolamine, Imidazolidinyl Urea, Propyl Paraben, and Chlorhexidine Gluconate 2%.
