

“Smells Good Too”

“FAST ACTING NON IRRITATING”

JUST SPRAY ON, STAND BACK AND PREPARE TO SMILE

Problem: In order to “WIN BLUE” your horses hair not only has to really shine it has to look it's very best under show ring and natural sun light.

Solution: COWBOY MAGIC® SUPER BODYSHINE™ is formulated to reflect a natural prism of light for a maximum shine under sun or show ring lights leaving hair looking “silky shiny bright”™. Everybody knows when your look-n-good.

Problem: Yesterdays hair polishes are oil based “old technology”. Although oil base creates shine it also grabs and holds on to show ring and stable dust resulting in more grooming and lost time.

Solution: COWBOY MAGIC® SUPER BODYSHINE™ creates a superior shine that “repels and suspends” making it “easy to brush and comb” away show ring and stable dust saving grooming time and money.

Problem: In a day or two the old oil based formulas begin to degrade and breakdown leaving your horses hair a sticky gummy mess that you can scrape off with your fingers. The old oily mess grabs onto additional dust and dirt that builds up and holds onto your horses hair.

Solution: COWBOY MAGIC® SUPER BODYSHINE™ has a long shiny life that does not result in oily breakdown. Shiny hair shines longer with no oily gummy mess.

You can “feel and smell the difference - it's a look that speaks for itself”™.

EASY DIRECTIONS: Three Easy Quick Steps

1. Spray on clean hair; then hand stroke hair flat.
2. Let dry in seconds before hand toweling or brushing.
3. Put on sunglasses and prepare to smile

(Do not use under saddle area while riding, saddle may slip.)

COMMON SENSE CAUTION: For external use only.

Ingredients: Water, Aloe Barbadensis Leaf Juice, Polydimethylsiloxane, Retinyl Palmitate, Cholecalciferol, Tocopheryl Acetate, Chamomilla Recutita (Matricaria) Flower Extract, Polysorbate 20, Methylparaben, Propylparaben, Imidazolidinyl Urea, Fragrance.
