

Finish Line's **BLASTER**® Horse Spray is a concentrated blend of 7 natural essential oils in a water soluble base. Formulated to be gentle to horse's sensitive skin. Pleasant lemon/rosemary scent.

**Directions:**

**MAKE WHEN READY TO USE.** Add 4 oz. of **BLASTER**® concentrate into this 1 quart spray bottle. For best results, add 14 oz. of apple cider vinegar. Fill with cool water, attach spray head and shake well. Makes one quart of solution. Adjust spray nozzle as needed. Hold spray bottle approximately 12" away from coat and spray evenly. Spray extra in the shoulder/legs/bank areas. Avoid spraying in eyes or horse's face; instead, apply **BLASTER**® spray to a cloth and wipe these areas with the product. Shake before each use. **For best results, do not make more than 1 quart of solution at a time.**

**INGREDIENTS:** Rosemary oil, thyme oil, calendula oil, citreella oil, cedarwood oil, lemongrass oil, teatree oil, water soluble base.
