

# Silver Honey™ Rapid Wound Repair Ointment Carton:

**NEW** The first-ever combination of natural medical grade Manuka Honey and MicroSilver BG™  
**SILVER HONEY™**  
**RAPID WOUND REPAIR**

Heals rapidly, provides long-lasting protection and moisturizes with a formula that's tough on bacteria and gentle on skin. Effective on cuts, abrasions, sores, rain rot, rashes, fungus, scratches, hot spots and burns. For horses, dogs and all animals.

- Silver and medical grade Manuka Honey deliver powerful, immediate antimicrobial activity
- Calendula, panthenol and allantoin support healing without disrupting the skin's natural biome
- Natural neem oil repels insects
- Bittering agent prevents licking
- Free of hypochlorous acid

**Directions:** Gently cleanse and dry the wound. Apply product liberally, making sure to apply beyond wound edges. Apply daily until wound is healed. Store in a cool, dry place.

**Precautions:** For external animal use only. Keep out of eyes. Keep out of reach of children. If swallowed, contact Poison Control Center. If irritation develops, discontinue use.
