Shoe Stretch

Softens stiff leather, makes new shoes more comfortable. Use on smooth or suede leathers; vinyl or synthetic materials cannot be stretched.

DIRECTIONS: Check first for colorfastness by spraying a small inconspicuous area. Shake can well, hold can upright, and spray inside of shoe liberally where stretching is desired. Immediately insert a shoe stretcher, or walk with socks and shoes on until dry. Repeat as needed.

CONTAINS: Isopropanol, isobutane, propane.

CAUTION: MAY IRRITATE EYES. CONTENTS UNDER PRESSURE. Keep away from heat, sparks and open flame. Avoid contact with eyes and skin. Do not swallow. Use only in well ventilated areas. Do not breathe fumes or vapors. Do not puncture or incinerate this container. Intentional misuse by deliberate concentration and inhalation of this product may be harmful or fatal. Store in well ventilated area. Do not store above 120°F (49°C). Do not store near sources of heat, or in direct sunlight.

KEEP CAN OUT OF REACH OF CHILDREN.

WARNING: Cancer and reproductive harm
