

BugPellent Fly & Tick Gel is a unique, non-greasy water based gel made with natural essential oils that provide highly effective insect repellency on areas where fly spray application is not advised; around face, chin, poll and neck.

Directions for use:

Horses and Ponies: Brush to remove dust and dirt prior to use. Apply liberally over areas to be treated, avoiding eyes and mucous membranes. Special attention should be given to the face, poll, chin, sheath, groin and neck. Apply liberally to the coronet band and pastern. Repeat treatment on a daily basis or as needed. Wash hands following application.

Usage: Apply starting at the head and moving towards the tail, avoid the mouth, eyes and mucous membranes. Repeat application daily, or as needed. Wash hands following use.

Active Ingredients: Cedar Oil - 0.75%, Peppermint Oil - 0.75%, Citronella Oil - 0.75%, Lemongrass Oil - 0.75%, Eucalyptus Oil - 0.50%, Clove Oil - 0.50%, Cinnamon Oil - 0.20%, Geraniol - 1.00% Total Active Ingredients - 94.80%

Inert Ingredients: Sodium Carborner Preneutralized, Polysorbate, Water, Total Inert Ingredients - 94.80%

Caution: Use only as directed. For external use only. Avoid contact with eyes and mucous membranes. Do not apply to wounds or damaged skin. Consult veterinarian before use on animals less than 6 months of age. If skin irritation results from the use of this product, or if symptoms persist for more than 7 days, discontinue use. For animal use only. Use of this product is not intended to replace a veterinary exam, nor does it replace the need for veterinarian assistance. **Keep out of reach of children.**

Flammable and Non-Flammable: This product has not been registered by the United States Environmental Protection Agency. Ethical Solutions, LLC represents that the ingredients in this product qualify for exemption from registration under the Federal Insecticide, Fungicide, and Rodenticide Act Section 25(b).
