## PART OF THE COMPLETE OAKWOOD EQUINE LEATHER CARE SYSTEM

Oakwood Leather & Synthetic Wipes are formulated to quickly maintain all your riding gear, from your saddles to your boots. Each wipe makes cleaning and protecting your leather and synthetic surfaces easy and worry-free. Oakwood wipes are formulated to remove dust, clean and protect your leather gear while providing a light sheen of quality to leather surfaces. Ideal for use on saddles, stirrups, bridles, head collars, girths, chaps, boots, gloves, footwear and more.

### Maintains

Gently removes dust, dirt and grime from leather and synthetic surfaces. Moisturizes articles to maintain softness and protect against color fading due to everyday wear and tear. Leaves a light quality sheen to leather surface.

### Directions for use

1. Peel back resealable sticker and remove wipe.
2. Use wipe to rub over entire surface, let surface dry naturally, then buff to shine.
3. Reseal peel back sticker to prevent moisture loss.

### Leather cleaning hints

- Remove noticeable marks and grime as soon as possible.
- Regularly use in conjunction with **Oakwood Liquid Saddle Soap** for a premium clean of both leather and synthetic gear.
- Regularly use in conjunction with **Oakwood Leather Conditioner** for premium long-term protection of leather gear.

**ALWAYS TEST IN AN INCONSPICUOUS  
AREA PRIOR TO USE. NOT SUITABLE  
FOR SUEDE OR NUBUCK LEATHER.**

**KEEP OUT OF REACH OF CHILDREN.**
