Feeding  
Feed Zo

**ENERGY & STAMINA**

Our 6 probiotics stimulate a steady appetite and our blend of 6 digestive enzymes help break down nutrients to improve digestive absorption. Together they promote energy, stamina and vigor.

**IMPROVED DIGESTION**

A constant supply of beneficial bacteria and enzymes aids in the creation of a more consistently balanced digestive environment.

**GUT HEALTH**

Better Horse Belly™ is an effective way to maintain health during periods of stress, such as during heavy exertion, foaling, travel or feed changes.

**MENTAL FOCUS**

A horse that feels good can focus and perform better.

**MOST ADVANCED DIGESTIVE SUPPORT**

5 Microencapsulated Probiotic Species, 6 Digestive Enzymes, Yeast and MOS all work synergistically for proven results.

Directions:  
2 oz per 1000lb horse per day
