

Spray 'n White

SHAKE WELL
BEFORE USE

The revolutionary deep cleaning, whitening shampoo and conditioning spray! **Spray 'n White**® goes on with an even application that penetrates better for increased whitening and brightening in less time. The results will speak for themselves!

- Deep cleaning, color-enhancing shampoo and conditioner
- Optical brighteners add incredible intensity to coats of light colored horses in minutes
- Highlights and intensifies white, gray and gold tones
- Helps with removal of stains including grass, manure and urine
- Gentle, pH balanced formula; no bleaches or peroxides

Suggested Use: For whiter, brighter coats, manes and tails.
Directions: Pre-wet the horse to remove excessive, loose dirt. Shake well. Spray 8-10 inches away directly onto the hair. Massage in with sponge or hands until lather appears. Leave on for 2 minutes. Rinse thoroughly.

General Precautions: For external veterinary use only. Keep out of eyes and mucous membranes. Keep from freezing. If there are any additional concerns, please call us or consult a veterinarian.
