For use in canine species.

NUTRI-VET® PET-EASE SOFT CHEWS for dogs contain a veterinary formulated blend of herbs and amino acids that helps keep your dog calm and relaxed. Pet-Ease helps maintain contentment during separation, travel, motion sickness and tension caused by changes in a dog's daily routine and may also curb destructive behavior.

Directions for Use: One (1) soft chew per 10–20 lbs body weight 2–3 times per day. Not to exceed ten (10) soft chews per use. Continue as needed.

Warnings: For animal use only. Keep out of reach of children and animals. In case of accidental overdose, contact a veterinarian immediately.
