

Victory Lane Liniment Gallon

Bowed Tendons & Suspensory Ligaments

Massage liberally with liniment for 8-10 minutes. Wrap with clean stall bandage then cover with plastic wrap, then stall wrap. Do up immediately after exercise.

Knees & Hocks

For sore and or swollen knees & hocks apply before exercising. Immediately after horse is bathed, towel dry joints, then apply liniment, then wrap with plastic wrap and cover with a knee or hock sweat-boot.

Hip & Stifles

Rub liniment vigorously into stifles and hips before and after exercise.

Sore Feet

Clip hair around coronet band then rub liniment into coronet band. Follow procedure daily!!
