

# exhibitor's™

**QUIC SHEEN®** creates a beautiful show ring shine for your horse's coat, mane and tail providing optical, mirror-like brightening...leaving it feeling and looking soft, silky and healthy! **QUIC SHEEN** helps repel dust and dirt during show performances or while riding the trails; helps provide slippery benefits for removing burrs and debris in manes and tails.

## **QUIC SHEEN® Benefits:**

- High gloss polish produces a mirror-like finish
- Use regularly to help reduce staining, adding protection that last for days
- Natural look and feel, helps repel dust and dirt
- Manes and tails are easier to brush and comb, helping save grooming time

## **General Concerns and Precautions:**

**QUIC SHEEN®** is gentle and safe with the correct equine pH. Avoid spraying the eyes. While riding, to avoid excess slippage, do not spray around saddle and girth strap areas. For external use only.

## **Directions For Use:**

**For Best Results:** It is recommended for dirty coats, manes and tails to use **QUIC SHAMPOO** first to thoroughly clean. For reasonably clean coats, just brush away any excess dirt. **QUIC SHEEN** can be used on wet or dry hair.

1. Shake well.
2. Spray directly on clean hair using a sweeping mist effect across the application area to avoid oversaturating.
3. Use a finishing brush or comb throughout coats, manes and tails.
