

EquiBody Glo™

A Pure Plant-Sourced EFA Blend* 1L (32 oz) & 4L (1 Gal)

- ✓ MCT oil provides preferential fuel of choice for muscles (easy to digest, absorb and convert to energy)
- ✓ Camelina oil provides a source of omega-3 fats (highly stable)
- ✓ Flax seed oil provides a source of omega-3 fats
- ✓ Rice bran oil provides a source of gamma oryzanol (increases muscle strength, improves overall body condition, promotes formation of lean muscle)
- ✓ For healthy weight management

- ✓ Vitamin D3 is essential for horses that are constantly stabled
- ✓ Beneficial for: arthritis, hoof quality, immune health, decreased post-exercise muscle pain, respiratory health
- ✓ No toxins, pesticides, or heavy metals
- ✓ EFA oils are molecularly distilled and human-grade

RECOMMENDED USES: EquiBody Glo™ has 100% plant-sourced EFAs.
