**PRODUCTS WITH A
WINNING TRADITION**

STIFLE & HOCK PAINT

INDICATIONS:

To be used as an aid in the temporary relief of minor soreness and stiffness caused by overexertion.

ACTIVE INGREDIENTS:

SDA 38B 40%, Camphor 5.99%, Iodine 5.99%, Potassium Iodide 5.39%, Povidone Iodine 2%, Methyl Salicylate 1.5%

INACTIVE INGREDIENTS:

De-ionized water, Propylene Glycol, Menthol, Phenol, Thyme Oil, Cajuput Oil and Cedarleaf Oil.

DIRECTIONS:

Place desired quantity in earthenware (not metal) bowl and apply desired quantity with a soft tooth brush. Light application acts as a counter-irritant to the tissues.

WARNING:

Not for use in horses intended for food. Flammable! Do not use near open flame or smoking materials. Avoid eyes and mucous membranes. Discontinue use and consult a veterinarian if excessive irritation develops. Use only as directed. To avoid leakage, store away from heat or direct sunlight. Use protective gloves when applying. Wash hands and arms immediately following use. Restricted Drug, use only as directed.

**FOR EXTERNAL EQUINE USE ONLY
KEEP OUT OF REACH OF CHILDREN**
