INSTRUCTIONS

To fill the Pill Treat tube:

- Hold the treat with the thumb and forefinger.
- Insert the tablet or capsule.
- Close the treat by pinching both sides of the tube closed with your fingers.
- Now your pet can enjoy the Pill Treat, with medication hidden inside.

TIP: To prevent transfer of the medication's smell or taste, do not touch the pill treat with the hand that has held the tablet or capsule.

CAUTION: For animal use only. Keep out of reach of children.
