

MCTARNAHANS

GREEN COOL

Equine liniment and leg brace with quick-cooling action, now in a new gelled form - won't run like ordinary watery liniments - more economical and easier to use.

Net Contents: One Pint (16 fl oz.)

PRODUCTS WITH A
WINNING TRADITION

GREEN COOL

INDICATIONS:

To be used as an aid in the temporary relief of minor soreness and stiffness caused by overexertion. GREEN COOL'S quick-cooling action helps to temporarily remove heat from hot, tired, overworked leg tissues. The cooling effect is present as the product is applied and it evaporates.

DIRECTIONS:

FOR DAILY CONDITIONING - rub GREEN COOL in thoroughly. FOR EXTRA COOLING EFFECT - apply a thick layer of GREEN COOL to affected areas three or four times daily, waiting 30 minutes after each application before bandaging. Will not blister or scurf when applied as directed. AS A WASH - mix one part GREEN COOL in six parts rubbing alcohol and apply liberally with a sponge.

ACTIVE INGREDIENTS:

Acetone 55%

INACTIVE INGREDIENTS:

Isopropyl Alcohol, Deionized Water, Hydroxypropylcellulose, Glycerine, Methyl Salicylate, Eucalyptus Oil, Camphor, Menthol, Peppermint Oil, FD & C Yellow #5 and FD & C Blue #1

CAUTION:

Not for use on horses intended for feed. Flammable! Do not use near open flame or smoking materials. Avoid eyes and mucous membranes. Discontinue use if excessive irritation develops. Use only as directed. For external use only. Keep this and all medications out of the reach of children. To avoid leakage, store away from heat or direct sunlight.

**FOR EQUINE USE ONLY
KEEP OUT OF REACH OF CHILDREN**
