## FOR EQUINE USE ONLY

EX-CELL is a natural formula that supports the health and well-being of your horse. It provides maximum endurance, faster recovery and supports focus while hauling and showing. EX-CELL also strengthens bones and muscles while reinforcing your horse's natural immune system.

**Directions for Use:** Shake tub well as settling may occur during shipping and handling. Administer 1 scoop orally (top dressed). 2 scoops support faster healing and recovery. The amount of product in 1 scoop may vary.

**Warning:** For animal use only. Keep out of reach of children and animals. In case of accidental overdose, contact a health professional immediately. This product should not be given to animals intended for human consumption. Safe use in pregnant animals or animals intended for breeding has not been proven.

If horse's condition worsens or does not improve, stop product administration and consult your veterinarian.
