

Helps promote optimum health.

This nutritional supplement is an ultrapure Thymus Protein, Zinc powder, and a vial of special diluent. When combined together, this mixture provides the ultimate bioactivity and bioavailability.

Directions: With the oral syringe provided, spray the dissolved contents of the mixed vial of **BioPro Armour®** over the root of the tongue 15 minutes before or after feeding.

Dosage: Use 1-3 vial sets per week, or as directed by a health care practitioner.

*Manufactured in the USA exclusively
for Nature's Animal Products®*
