natural ingredients used by  
horsemen since 1880.*

Net Weight 16 U.S. oz. (.473 Liter)

### DIRECTIONS

NDC #0493430201-01

**VITA OIL** has no alcohol or other quickly evaporative substances that can dry skin, but instead is a combination of natural oils and spices that remains moist and active for hours.

**For temporary relief of sore, stiff muscles.** Thoroughly rub in all the Vita Oil the skin will absorb. For best results: Apply hot compress, either moist or dry, or sponge with hot water to open pores. Towel dry, then rub in Vita Oil. Repeat as necessary.

**As a sweat:** apply full strength Vita Oil to affected area. Wrap with plastic wrap and cover with blanket or bandage.

**As a leg brace:** dilute two ounces of Vita Oil with one pint of witch hazel and one pint of rubbing alcohol. Shake thoroughly.

**As a body wash:** add two ounces of Vita Oil to one quart of rubbing alcohol, witch hazel or water.

Keep lid fastened securely when not in use.

**ACTIVE INGREDIENTS:** Mineral oil, turpentine, peppers, mustard flour and other spices.

**CAUTION:** Keep out of children's reach. Keep away from eyes and mucous membranes. If excessive irritation develops or affected area does not respond to treatment, consult a veterinarian.
