PREMIER SPRAY MARIGOLD SCENT

LONG LASTING

SAFE FOR PETS

CRUELTY FREE • ENVIROMENTALLY FRIENDLY

Premier Rehydrant Spray Marigold Scent was developed specifically to bring moisture captured from the air to the skin and coat at an accelerated rate. If your horse's hair is not covered by oil or silicone, its skin and coat can respire properly by wicking moisture from the air into the skin. Use with Premier Botanical Shampoo.

Premier Rehydrant Spray Marigold Scent is non-toxic and won't burn eyes. Helps dry skin and coats, manes and tails with natural ingredients that attract moisture to make dry, parched hair smooth and supple. Oil and polymer-free ingredients provide moisture and protection from the sun while soothing the skin & coat. Promotes a healthy shine with natural ingredients.

Using this product after shampooing or brushing may:

- Enhance shine
- Repel dust and dirt
- Condition & moisturize coat
- Prevent dry skin conditions
- Promote healthy skin and coat
- Protect coat from bleaching out
- Non slip - can be used on saddle area
- Contains no oil, silicone or synthetic polymers
- Non-toxic - Environmentally friendly
- Detangle mane and tail
- Will not hurt the eyes
- Anti-static
- Will not burn or sting wounds
- Will not stain equipment or clothes

Directions: Mist entire horse, mane, coat and tail, wet or dry. **SAFE FOR USE ON HEAD AREAS.** Use as often as necessary, especially in hot summer months. Leave on do not rinse. Use especially after brushing.
