

MICRO-TEK® PET SHAMPOO

SOOTHES ON CONTACT FOR PETS WITH SKIN PROBLEMS STOP-ITCH FORMULA

The fastest acting skin problem shampoo ever developed! Micro-Tek® Shampoo combines Scientifically Superior ingredients to create the healthiest environment for healing. Use with Micro-Tek Gel and/or Spray.

- Stops biting, licking and scratching
- Controls pet odor
- Non-toxic
- Will not burn or hurt open wounds
- Non-steroidal
- Alcohol free
- Safe for puppies and kittens
- Safe to use with all topicals

DIRECTIONS: For best results, use AS IS. Do not dilute. Shampoo and massage to work up lather. Leave on for 3-5 minutes. Rinse thoroughly. Towel or air dry. Follow with Micro-Tek Spray and/or Micro-Tek Gel for added benefits. Repeat shampooing weekly.

CAUTION: Do not use this shampoo with any other medicated products containing IODINE or BETADINE. Swelling may occur.

ACTIVE INGREDIENT: Triclocarban (.2%).

INACTIVE INGREDIENTS: Deionized Water, Sodium Laureth Sulfate, Soyamidopropyldimethylamine Oxide, Cocamidopropyl Betaine, Polysorbate 20, Polysorbate 80, Sodium Chloride, Sodium PCA, Glycosaminoglycans, Aloe Vera Barbadosensis, Clove Extract, Lavender Extract, Thyme Extract, Allantoin, Citric Acid, Polyquaternium 10, Tetrasodium EDTA, DMDM Hydantoin, Methylparaben, Fragrance.
