

PREMIER PET SHAMPOO

BRIGHTENS COLORS • WHITENS WHITES

Remarkable changes are visible after the first use of Premier Shampoo with its Scientifically Superior ingredients. It leaves the coat completely clean, not covered with oil, silicone or wax. Allowing the coat to readily accept moisture from the air as nature intended. Premier Shampoo will not clog pores, letting the skin breathe properly. This revolutionary formula contains moisturizers and vitamins to restore balance and strength while soothing irritation. Gently removes harsh toxins and pollutants that damage the skin and coat.

- Contains no soap or harsh detergents
- Hair will have a natural high gloss shine
- Volumizes coat
- Rinses easily with less water
- Leaves no chemical residue
- Bluing agents or coat whiteners not necessary
- Alcohol free • Safe for puppies and kittens
- Safe to use with all topicals

DIRECTIONS: For best results, use AS IS. Do Not Dilute. Shampoo, rinse thoroughly, and dry. Use with PREMIER CONDITIONER and PREMIER SPRAY for a completely beautiful and healthy skin and coat.
