ADDITIONAL INGREDIENTS: Purified water, Citric acid, Guar gum, Iron (Ferrous sulphate), Potassium sorbate, Rosmarinus officinalis (Rosemary), Natural Apple concentrate.

DIRECTIONS: Give orally 100 mL, once per day for 21 days. Stop for 7 days and then repeat cycle or as directed by a veterinarian. Give during or after the animal has eaten to reduce incidence of gastrointestinal upset. Place directly into the mouth for best results.

CAUTIONS: Not for use in horses for food; pregnant, lactating or foal. Do not use in animals with autoimmune disease or cardiovascular disease unless directed by a veterinarian. Not for use in animals allergic to ragweed or other plants of the Asteraceae/Compositae family. May cause allergic reactions in sensitive animals. Do not exceed recommended serving. Do not use if seal is broken.

STORAGE: Refrigerate after opening. Consume within six (6) months after opening.

ALLERGENS: Contains no corn, dairy, gluten, soy, wheat or yeast.

Omega Alpha's products are made from all natural human grade ingredients therefore product may have batch differences in colour and taste.
