

PRECAUTIONARY STATEMENTS

May cause eye and skin irritation. Avoid contact with skin, eyes or clothing. Wash hands thoroughly with soap and water after each use. Sensitivity may occur after use of any pet product. If irritation occurs, bathe your pet with a mild shampoo and rinse with large amounts of water.

FIRST AID

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For additional information (including health concerns, medical emergencies or pesticide incidents), you may call Chemtrec: 1-800-424-9300 or 1-703-527-3887, twenty-four (24) hours per day, seven (7) days per week.

IF IN EYES:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

IF INHALED:

- Move person to fresh air.

STORAGE & DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Storage: Store in the original sealed container in a cool, dry, well-ventilated area inaccessible to children and pets.

Disposal: Non-refillable container. Do not reuse this container. Place in trash or offer for recycling if available. Never place unused product down any indoor or outdoor drain.

“This Product has not been registered by the U.S. Environmental Protection Agency. Pyranha, Inc. represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide and Rodenticide Act.”

PROVEN EFFECTIVE!

The goodness of geraniol, clove oil and peppermint oil brings you a safe and natural insect fighter when used as directed.

DIRECTIONS FOR USE:

Use only in accordance with label directions and precautions.

FOR USE ON HORSES & PONIES:

DIRECTIONS FOR WIPE-ON USE:

Thoroughly brush horse to remove excess dirt and dust. Moisten (but do not wet to the point of dripping) a soft cloth and rub over the hair. It is best to apply by rubbing against the direction of hair growth. Give special attention to legs, shoulders, shanks, neck and facial areas where flies are most often seen. Only light application is needed. Avoid using in excess amounts. Do not wet skin. Apply daily as needed.

DIRECTIONS FOR SPRAY USE:

Zero-Bite® may be applied as a light spray mist to horses, then brush lightly. Do not wet horse's skin. Do not spray near eyes and mucous membranes, apply with a soft cloth in these areas. Apply daily as needed.

FOR USE ON DOGS, CATS, FERRETS & CAGED PETS:

Start spraying at the tail, moving the dispenser rapidly and making sure the animal's entire body is covered, including the legs and underbody. While spraying, fluff the hair so that the spray will penetrate to the skin. Make sure that it wets thoroughly, but do not saturate the animal. Do not spray into eyes or face. Do not contact genitalia. Do not use on animals under twelve (12) weeks old. Repeat application as necessary. Consult a veterinarian before using this product on medicated, debilitated, aged, pregnant or nursing animals.

FOR PREMISE USE:

Thoroughly spray infested areas, pet beds, resting quarters, nearby cracks and crevices, along and behind baseboards, moldings, window and door frames plus entire area of floor and floor covering. Place fresh bedding in animal quarters following treatment. Reapply daily as needed.
