All Weather Easy Brush-On-Formula

*Test its Penetrating Power!*

Shake Vigorously for 20-30 Seconds  
16 Fl. oz (454ml)

◆ **Cut Heal Hoof Heal 5 in 1 Hoof Care** rapidly carries into the hoof its dynamic ingredients that helps to maintain the moisture balance and pliability. Hoof Heal creates a flexible barrier that breathes and prolongs protection. On going use of Hoof Heal helps keep the coronary band, heel, sole and frog healthy and capable of handling impact without cracking. An alive looking hoof and lasting healthy shine is created, a benefit within the show ring.

◆ **Test Its Penetrating Power!**

Apply Hoof Heal around the coronet and over the entire surface of the hoof with the hoof resting on dry clean concrete. Within minutes when you raise the hoof you will find that Hoof Heal has penetrated and marked the concrete outlining the nail marks on the bottom of the hoof.

◆ **Helps Prevent or Restore Brittle, Cracked Hoof Wall and Heel**

Excessive dryness creates a brittle hoof wall and heel leaving it vulnerable for cracks to occur. Use Hoof Heal to help maintain pliability. On going use will help maintain a moisture needed for healthy hooves.

◆ **Brittle Sole and Frog**

Prevent and/or restore a brittle frog that nature designed to absorb shock by applying Hoof Heal directly to frog and sole to achieve and maintain pliability.

◆ **Coronet**

Help achieve softness and flexibility by applying Hoof Heal to the coronary band, the area nature designed for hoof growth. Brush on Hoof Heal often to sustain this condition. Avoid placing Hoof Heal onto the hair, which could create a residue, if the hair is not cleaned after each application.

◆ **Directions for Use**

Brush Cut Heal Hoof Heal 5 in 1 Hoof Care on hooves at least three times a week. Only apply Hoof Heal to clean hooves.

**Caution:** Keep out of the reach of children. For external use only. Do not apply to irritated skin. If excessive irritation develops or symptoms persist for more than 7 days discontinue use and consult a veterinarian. Avoid getting into eyes or on mucous membranes. Not for use on horses intended for food.

◆ **Ingredients:** Raw Linseed Oil, Spirits of Turpentine, Pure Menhaden Oil, Bees Wax, Balsam of Fir, Oil of Vitriol.
