

NEW!

Carbo-Fuel 3X Oral Paste 100 gram oral dose

"The Performance Enhancer" is now available in a Paste! Carbo-Fuel Oral Paste is a Glycogen loading supplement for equine use. Research on horses has shown that loading a horse's muscles properly can lead to improved performance. Carbohydrate loading is safe, effective and it works.

What our customers say about Carbo-Fuel

Creatine

Works with A.T.P. in the body to form a special high energy bond that replaces energy in the muscles. This is the energy that is used by sudden bursts of speed as in sprinting.

GUARANTEED ANALYSIS	
Vitamins	Per 100 gram tube oz.
