

eye wash

Indications: For flushing and cleaning irritations and wounds to the eye. Use to clean and relieve eyes affected by burning, stinging, itching, pollutants and contaminants. Safe for use on all animal species. May be used for the reduction and appearance of tear staining.

Directions for Use: Adjust dropper nozzle. Flush affected eyes gently with Vetericyn Plus® Eye Wash. Repeat 3-4 times per day until condition is no longer visible. No rinsing necessary. Safe for use around mouth, nose, ears and eyes. Use with damaged corneas should be under veterinarian supervision. For daily eye maintenance, flush eyes once per day or as needed. Great for use after outdoor activities.

Use Precautions: For external use only, not for injection. Always consult with a veterinarian for systemic conditions. Discontinue use if irritation develops and contact your veterinarian. For animal use only, not for human use. Keep out of reach of children. Safe if licked by animals. Will not stain and contains no harsh chemicals or dyes.

Ingredients: Active: Hypochlorous Acid (0.009%) Inactive: Electrolyzed Water, Sodium Chloride, Phosphates, Sodium Hypochlorite

Storage: Store at room temperature away from direct sunlight and heat. Thaw and shake contents before use if frozen. Do not use after expiration date. After use, seal or close dispenser.

Stability: See Expiration Date

Disposal: No special disposal requirements. Vetericyn Plus is environmentally friendly.

Innovacyn products are manufactured under strict quality guidelines to ISO 9001, ISO 13485 and FDA QSR.
