

Finish Line's KOOL OUT™ POULTICE is formulated for use after any workout.

KOOL OUT™ is mild, effective and unbeatable in its easy on/off application.

**RECOMMENDED USES:** As an aid in the temporary relief of minor soreness and stiffness due to overexertion in horse's legs and feet.

**Directions:** For tightening only: Cleanse affected area thoroughly. Apply KOOL OUT™ POULTICE liberally (1/8"-1/4" thick). Finally, cover with a thin layer of gauze or cheesecloth and standing bandage. Remove bandages and poultice after 24 hours, rinse with cold water, repeat as needed.

For minor inflammation, swelling and heat: Cleanse affected area thoroughly. Apply KOOL OUT™ POULTICE liberally (1/8"-1/4" thick). Always cover with a sheet of cotton first, then cover with paper or desired wrap. Next, use cotton or a quilted wrap. Finally, cover with standing bandage. Remove bandages and poultice after 24 hours, rinse with cold water, repeat as needed.

As a hoof packing for minor heat and inflammation: Clean the underside of the hoof thoroughly. Apply a small handful of KOOL OUT™ POULTICE to underside of the hoof and cover with kraft paper.
