HORSE CARE

It's all about the animals.™

Nutritional support for horses that routinely "tie-up"

NOW WITH L-CARNITINE!

For Horses of All Classes

PERFORMANCE

GUARANTEED ANALYSIS (per ounce): L-carnitine (min) 3000mg, Magnesium (min) 1.75% (500mg), Selenium (min) 30ppm, Chromium (min) 5mg, D-alpha-tocopheryl (Vitamin E) (min) 1750IU, Dimethylglycine 1000mg

INGREDIENTS:

Brewers yeast, Magnesium proteinate, Vitamin E supplement, L-carnitine, Potassium chloride, Dimethylglycine, Selenium yeast, Plant protein products, and processed grain by-products.

Keep tightly sealed and store in a dry place out of direct sunlight.

The active ingredients in Tie-By support the normal function of skeletal muscle. Tie-By's powerful formula now includes L-carnitine, shown to normalize muscle enzymes in horses in training. Tie-By also contains powerful anti-oxidants like Vitamin E, as well as the amino acid supplement Dimethylglycine.

FEEDING DIRECTIONS:

Horses: Provide 1 ounce (2 tablespoons) per 1000lb body weight daily mixed with normal feed ration. The large end of the enclosed scoop measures 1 tablespoon (approx 1/2 ounce). Amount and frequency may be varied as necessary.

FOR ANIMAL USE ONLY.

KEEP OUT OF THE REACH OF CHILDREN.
