PRODUCT FACTS (continued):

AniMed® Via Calm Oral Gel for Horses naturally promotes a normal and relaxed disposition and alertness without drowsiness. Our potent natural calming blend helps your animal cope with external stress and stress from traveling, hospitalization, moving, or other situations that may cause anxiousness. Contains a source of guaranteed live (viable) naturally occurring microorganisms, probiotic yeast cultures. Live yeast supports a healthy gut, especially against occasional gastric distress.

DIRECTIONS FOR USE: Provide 5 to 10 mL per 1000 lb. body weight daily or 10 to 20 mL ½ hour to event. Or as recommended by veterinarian.
